

The Black Swan

Jefferson, Texas 1872

In keeping with the history as a river port, this unique experience is patterned after the meal a wealthy riverboat patron would enjoy as they traveled up the Big Cypress Bayou to Jefferson, Texas, gateway to the West. A Chef inspired, *private 5 course dinner*, is prepared for you and your guests, served with the appropriate wines, after dinner liqueurs and is by reservation only.

As Chef Reed would say,

“Don’t expect the ordinary”
